

## COVID-19 Waiver Form

I, \_\_\_\_\_ (the patient), consent to receive dental treatment from KIDS DENTAL SPECIALTY during the COVID-19 outbreak.

I understand there is much to learn about the newly emerged COVID-19 including how it spreads and transmitted.

I understand that based on what is currently known about COVID-19 the spread is thought to occur mostly from person-to-person via respiratory droplets among close contacts. I understand that close contact can occur from being within approximately 6 feet of someone with COVID-19 for a prolonged period of time or by having direct contact with infectious secretions from someone with COVID-19.

I understand that carriers of COVID-19 may not show symptoms but may still be highly contagious.

I understand that due to the unknowns of this virus, the number of other patients that have been in the practice and the nature of the procedures performed here, that I have an increased risk of contracting the virus by being in the practice and by receiving treatment in the practice.

I understand that dental procedures have the potential to include aerosol-generating procedures as well as anticipated splashes and sprays, which are some of the ways that COVID-19 can be spread.

I understand that the symptoms listed below are representative of COVID-19:

- Fever
- Dry Cough
- Shortness of Breath
- High Temperature
- Persistent pain or pressure in the chest
- Bluish lips or face
- Flu-like symptoms, such as gastrointestinal upset, headache or fatigue
- Recent loss of taste or smell
